Chain of Hope is a children's cardiac charity, which runs an International Child Referral Programme. We provide vital treatment to children from countries where there is little or no access to cardiac care. We bring children to the UK for surgery and we are looking for Host Family volunteers to help care for the child and their guardian whilst they are in London.

Do you have a spare room in your home to host a child and their guardian? Do you live within the M25? Are you passionate about helping others? If the answer to any of these is YES, get in touch today!

Contact **Hannah** via hannah@chainofhope.org or **020 7351 1978** for more information.
