# Memories

Open up your memory boxes and start painting, drawing and printmaking for the YOUNG ART 30th Anniversary Exhibition at the Royal College of Art
 28 April- 1 May 2020

LAST DATE FOR ENTRIES: FRIDAY 24 JANUARY 2020

The concept of YOUNG ART is brilliantly simple.

YOUNG ART is an exhibition at the Royal College of Art for school students aged 4-18 raising funds for Research into Childhood Cancers.

It is a wonderful opportunity for aspiring artists to have their work judged by well-known professional artists and exhibited at the prestigious Royal College of Art and, at the same time, raise money for Research into Childhood Cancers.

YOUNG ART is run by volunteers and the overheads are kept to a minimum by our loyal supporters and sponsors, ensuring that almost all the money raised goes to research into the genetic causes of childhood cancers through Research into Childhood Cancers.

YOUNG ART is a wonderful opportunity for children who enjoy art to help other children who are suffering from cancer and whose futures are not quite so assured.

To participate each student donates £2 per entry to Research into Childhood Cancers.

The entries are collected in January of each year.  Approximately 800 artworks are hung and every exhibitor receives a certificate.  In addition the judges award 1st, 2nd and 3rd Prizes in 6 age categories (see Rules for details). 2019 welcomes the separate PRINTMAKING category judged by Prof Chris Orr MBE RA as well as DRAWING category judged by Eileen Cooper OBE RA.

Every school that participates will be represented at the exhibition, a proportion of the total number of entries submitted will be displayed.

THE MORE PICTURES ENTERED PER SCHOOL THE MORE WILL BE EXHIBITED.
Everyone is welcome at the exhibition – school groups during the day, exhibitors and parents on assigned evenings
