Spanish courses with a smile

## INTENSIVE SPANISH COURSES

with the minimum cost

**ÁVILA: A CITY WITH THE BEST PRONUNCIATION, WITHOUT DIALECTS, WITHOUT TOURISTS AND EASY TO INTEGRATE INTO**

In Ávila you will find all the facilities for a correct learning. Ávila, in Castile, at 1130 metres, is the highest City on the Spain, with **many hours of sun** and also one of the cleanest and with the purest air in the whole of Spain. It is quiet, cheap, with a dry and healthy climate. Of Celtic Origin, Ávila is the ideal place to lose yourself in a Medieval voyage. **In this city the clarity of the pronunciation will give you the perfect linguistic context for learning or furthering standard Spanish. A quiet and relaxed city that facilitates learning. A total linguistic immersion in the purest Spanish.**

### Letras Castellanas OFFERS TEACHING:

**MINIMUM COST:** Letras Castellanas offers Spanish courses and accommodation at **excellent prices without sacrificing quality**. At Letras Castellanas our aim is to teach Spanish to students of any age who want to learn without having to pay too much. **Our costs are low**. This is our philosophy and also the reason for our attractive prices.

**COMPLETE:** it embraces **all the linguistic fields**, with special attention paid to grammar, pronunciation, comprehension and oral.

**INTERACTIVE:** the **communication** between the student and the teacher is **constant**. **The students are**

**the protagonists** of your own learning, the teacher is another class member, the team leader.

**DIRECT AND FRIENDLY:** the atmosphere is easy going and familiar, **everyone knows your name**. Learning is so much quicker when the environment is relaxed and personal, that's why one of our principal objectives is to "break the ice"

**MOTIVATED:** our relaxed and friendly methods will interest you and **motivate** you in such a way that you will become involved without realising it.

**FLEXIBLE:** the students are able to make **proposals or suggestions about the rhythm of the class**

### GENERAL OBJECTIVES OF OUR TEACHING:

To be able **TO UNDERSTAND** the global information of spoken and written messages through the many different linguistic situations that we find ourselves in.

**TO PRODUCE** spoken and written messages thus ensuring that the communication is both fluid and satisfactory.

**TO READ** in a comprehensive and autonomous manner, texts which have been adapted to each level.

**ACQUIRE** a clear and general overall concept of the linguistic and grammatical elements on which Spanish as a foreign language is based.
