**If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:-**

Not applicable

**Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:-**

The evidence covers two years of work and is a holistic grade, taking into account development of student skills and knowledge. The evidence uses questions provided by the exam board to ensure all exam board required assessment objectives have also been assessed. Coursework component also included.
