

Welcome to Textiles!

We provide all the materials for class work and your sketchbooks throughout the course. You may also find it useful to have some of the following items at home- however these are always available to use in the classroom during your free sessions if required. It's worth checking charity shops for wools and fabric offcuts too.

A4 cutting board

Embroidery threads

Scissors

Sellotape

Double sided tape

Metal Safety ruler

Circle hole punch 1 inch

Needles

Polyester threads

Mini hot melt glue gun
