How to set up a Choice activity:

1. On your course page **Turn editing on**.
2. Select **Add an activity** and choose to add a **Choice**.
3. Give your Choice a name this will appear on your GoL page then add the question/instructions in the description box.
4. Complete the rest of the page by adding your options, you have an option to limit the number of responses (useful if you are using it to sign-up for an activity etc).
5. In **Availability** you have the option of setting an open and close date.
6. In **Results** you can choose whether to publish the results and in what format.
7. **Save and display** to view your choice activity.
8. To edit at any time open up the choice and select **Edit Settings** in the **Administration** block.
